« This is the finest, most complex and complete Quintus yet – bravo!

Lisa Perrotti-Brown

« Opulent palate entry but then very sophisticated drive. Distinctively focused, with limestone influence well in evidence. Already persistent. Lean, fresh tannins on the finish. »

Jancis Robinson

« This is a successful Dragon with a serious attitude and a power-packed core. »

Matthew Jukes

« Wow! This is very chalky and salty with lots of mineral character. It shows lots of purple fruit and firm tannins. Racy and bright. Chewy yet fine tannins. Gorgeous. Gets better and better! »

James Suckling

« Ranked 3rd most successful brand notoriety evolution in 2021 by the Wine Lister »
