A piece of Lafite History: 1995-2015

LIMITED EDITION

An outstanding vertical collection of Château Lafite Rothschild.

This unique case, created in partnership with Maison Ginestet, is an invitation to travel through time to understand the terroir of Lafite. A journey through two decades that have seen the birth of timeless wines.

The vintages chosen to compose this case illustrate the work and wisdom of the men and women of Lafite for generations. Together, they work to perfect the different raw material given by nature each year.

The roundness of 2015, the balance of 2010, the depth of 2009, the opulence of 2003, the energy of 2000, and the structure of 1995 are the best testimony to the greatness and resilience of our terroir which never goes as far as the extreme.

I wish you to make these wines your own: they leave our cellars to continue their story in your hands, your glasses, before being engraved in your memories.

I wish you a good tasting, and bon voyage.
